

Manifest the
Soulmate you desire
with these proven
methods.

www.zenory.com

- Take a sheet of paper and put a circle on it and in that circle write my man or my women, which ever you want
- Draw a starburst (draw the picture) with a bunch of lines coming out of it.

- It is important not to put a face on this person
- Start filling it in and identify the exact "**qualities**" he would possess and you need to be specific.
- You might say that you want this person to be "**happy**" who wants to be with a sad person all the time

- **Tip:** sit and imagine a person that already exist in this world
- **Tip:** be specific - you might say you want someone who lives in your city and is into boat racing, who also loves motorcycles
- Start filling it in and write the "qualities" you want in this person
- You might say that you want this person to be "**happy**" who wants to be with a sad person all the time
- You might say that you want this person to be "**happy**" who wants to be with a sad person all the time

- *You can only attract to you what you are in harmony with (vibrations)*
- *You want someone that is caring*
- Don't put a face on this person, instead you might say someone that has a good appearance
- Send this to the universe
- Keep thinking of the qualities this person has
- Financially Independent
- Interested in Personal Growth
